Communique no. 2/2011

To Regional World Councillors  
Provincial Coordinators  
SDB and FMA Provincial Delegates

Dear friends,

I communicate to you and confirm, in the name of the Rector Major, that the next ASC World Congress will be held on from 8 - 11 November 2012 at the Salesianum/General House in Rome.

In view of the official convocation of the Congress, I refer to the following key deadlines for optimal organisation of this major event of our Association, during which we will proceed to the final vote for approval of the Project of Apostolic Life (Statutes and Regulations):

- 1) By September 30, 2011 the proposed amendments to the Statutes and Regulations from the different membership levels should reach us, preferably by completing the attached forms; proposals received after that date will not be taken into account;
- 2) By November 30, 2011, the WES will collect all the proposals;
- 3) During the World Council (8 to 11 December 2011) we will examine all proposals;
- 4) By June 30, 2012 the appropriate technical committee appointed by the Rector Major (made up of the World Coordinator, a theologian and a lawyer) will evaluate all proposals according to criteria of eligibility, charismatic compatibility, fairness in law;
- 5) Within the first quarter of 2012 the official notice convening the World Congress official will be forwarded, and all members will know the programme, the request for necessary information will be forwarded to those who need visas.

I remind you that it is up to the World Councillors to collect proposals for amendments from the various levels of the Association, ensure their translation into Italian, the official language for approval by the Holy See, and ensure they are passed on to the World Executive Secretariat.

My greetings and best wishes,

Yours in Don Bosco,

Rosario Maiorano,  
along with members of the World Executive Secretariat.

Rome, 19 February 2011
